INTERVIEW SUMMARY

Honorable Commissioner of Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The Examiner is thanked for taking time to discuss the *Amendment* filed July 1, 2005, in a recent telephone conversation with the Applicants' representative. It is understood that Examiner Chang reviewed the *Amendment* filed July 1, 2005, found the Applicants' arguments regarding the obviousness rejection based on U.S. Patent No. 5,422,753 to Harris to be persuasive, and would conduct a revised search of the prior art. Thus, based on the Examiner's statements, the Applicants understand that the Examiner will either issue a new non-final Official Action based at least in part on newly discovered references or issue a Notice of Allowability.

Should the Examiner believe that anything further would be desirable to place this application in better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number listed below.

Respectfully submitted,

Eric J. Robinson
